MEMORANDUM FOR THE CABINET

FROM: ALFRED H. KINGON  
CABINET SECRETARY

SUBJECT: South Africa

In order to carry out the President's policy on South Africa, we would like all Members of the Cabinet to identify an opportunity to speak on the question of our South African policy sometime within the next three or four months. To implement the public diplomacy initiative, the Department of State has established a South African working group which will provide materials to you and help coordinate speaking dates.

Please select an individual from your department to contact Ambassador David Miller of the South African Working Group (632-6545) for further information on this subject.

Thank you.
